

Announcement of specification change

We would like to inform you the specification improvement of VS-MC series as follows;

Model : VS-MC25
VS-MC35
VS-MC50
VS-MC75

Change : The external size of the fixing ring is changed from 5mm to 4mm.
(Refer to the image.)

Note :

- There are no changes in optical specification and price.
- Once we clear previous design model stock, we will start shipping the new model.
