

Dear Customers,

Aug 31<sup>st</sup>, 2011  
VS Technology Corporation  
Ichikawa Technical Center  
Department of Quality Management  
Kazuo Nakamura

**Notice on the Partial Exterior Changes of SV-X series**

We gratefully thank you for your ongoing patronage for our products and services.

Sculpture character and External Diameter will be changed.

Please note that the exterior mechanical changes do not affect the optical properties

| <b>Model</b>   | <b>Old sculpture character</b> | <b>New sculpture character</b> |
|----------------|--------------------------------|--------------------------------|
| <b>SV-1.5X</b> | <b>x1.5 TV EXTENDER</b>        | <b>1.5X RC</b>                 |
| <b>SV-2.0X</b> | <b>x2.0 TV EXTENDER</b>        | <b>2X RC</b>                   |
| <b>SV-2.5X</b> | <b>x2.5 TV EXTENDER</b>        | <b>2.5X RC</b>                 |

\* For detailed changes on each model, please refer to A Comparison Overview on the Exterior Mechanical Changes of the SV-X Series.

The timing of the design switch will take place as in order of production lots.

Please kindly offer your understanding of the above announcement. Your continued support and patronage for our products and services are greatly appreciated.
